- 14 respondents can understand, speak, read and write Gaelic to a basic level
- 6 respondents can understand, speak and read Gaelic to a basic level
- 7 respondents can understand and speak Gaelic to a basic level
- 1 respondent can understand and read Gaelic to a basic level
- 1 respondent can understand Gaelic to a basic level
- 2 respondents can understand Gaelic to an advanced level and speak and read Gaelic to a basic level

There are 7 fluent Gaelic Speakers in the organisation on the basis of this audit.

There are 24 Gaelic Speakers who claim basic level.

### Total Gaelic speakers: 30

- There are 33 respondents who understand Gaelic, 8 of those to an advanced level.
- There are 25 respondents who can read Gaelic, 3 of those to an advanced level.
- There are 19 respondents who can write Gaelic, 3 of those to an advanced standard.

## Training

At the time of the Audit 15 respondents had completed Gaelic Awareness Training.

Of the 175 respondents who placed a positive on the audit, 164 would attend a course. Of these, 26 would like to become fluent with the remainder (138) happy to attend basic level course.

Since the Audit a further 13 members of staff have completed Gaelic Awareness Training.
